A bunch of animals are being greased in preparation for the great channel swim. The villain is near to Julius. He ties Julius to a rope. The shot is given to go. All dive into the water. Julius cannot understand why he is so far behind. He turns around and to his astonishment finds he has been pulling a house-boat with a family in it. He cuts the rope and gains on his swimming.

The villain in the meantime, way ahead of everyone. He is served a meal while swimming. and smokes his cigar. Julius eventually catches up to him and the battle is on. The rival hits Julius and he sinks to the bottom of the ocean. A big fish there chases him.

The crowds on the other shore are awaiting the arrival of the winner. Julius is in first. The crowd applauds and Julius modestly takes his bows. Suddenly the fish comes out of the water and chases Julius all around.

THE END.
